Welcome to RIGOR MORTIS!!!

This is the first, and hopefully not the last, issue. This zine will be distributed throughout the US and other parts of the world-in hopes that we can show others that there is a scene where Hardcore is appreciated in Virginia, and it's not just Richmond. This is Virginia BEACH!!!!!!!!!!

To prove we have a good scene, we must work together to make it better. As of now, there is only one place in Tidewater where shows can be seen on a regular basis. YET, their restrictions keep about half of the punks in the V.B. scene out of the shows. We've recently begun looking for any old warehouses that may be rented out for a reasonable price. If you know of any such places-please write or call me. I know a lot of bands from out of town who would love to come to Va. Beach-if there were only a place to play. Well, until such a place is found, **KEEP THROWING THOSE PARTIES!!!!!!**

Enjoy the zine.....

TIDEWATER PEACE CENTER - BENEFIT FOR PEACE

April 7, 1984

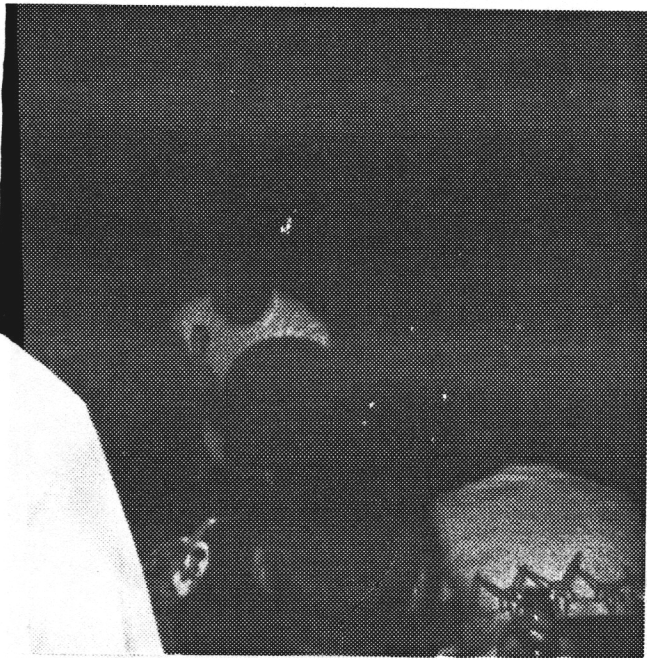

DEET + KIRBY

This was a cool show... Everyone was there for this musical demonstration against war. A few of the bands included STRIVE FOR PEACE, AGENT 86, & DEATH ROW.

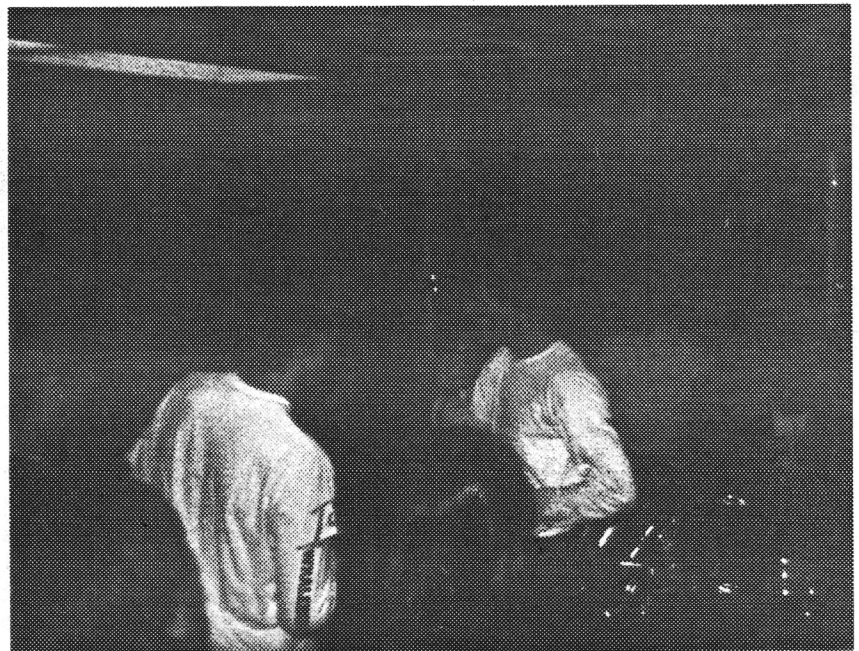

The crowd was pretty sedate until a wild THRASH broke out at the end. The people who ran the place were real cool, though.

All of the bands were really hot. Strive For PEACE played some blistering thrash with Charles' thunderin' bass and Tim's shredding guitar. Agent 86 really ripped with a brutal bass and excellent guitar solo on "Stepp'in Stone". Quaking drum beats and uncompromising vocals, this band is hot!!!

DEATH ROW destroyed as usual. Kirby's vocals are like noone's. Great guitar with wild distortion aided in a frenzy of musical destruction. Great show - I hope there's more to come...

CRUDE

CRUDE SS is a three piece punkband from a place in Sweden called Fagersta/Norberg. This group started out nearly three years ago with the band then consisting of Ebbe-guitar, Pelle - voice/bass and Tuna-drums.

Today, three years later, Pelle and Tuna isn't with the group any longer. The group has now got two new members known as Håkan and Sven. But on the Crude SS tracks you probably have heard (*their demo + 2 trax on "Bollox to the Gonads....") none of those two guys plays. This is due to the fact that Pelle is the one who's singing/playing the bass, and a guy called Jarmo is beating on the drums. This guy, Jarmo, was in the group from the autumn of '82 until the end of the summer of '83 when he suddenly left Crude SS. Håkan did then join the band in the end of November, and they started to practice again, getting more and more gigs and everything worked out fine. Then suddenly in the end of January '84 Pelle left them due to the fact that he wanted to go into another musical direction, and that wasn't accepted by the other two members. Two days later Sven, who had earlier been in several local bands, joined Crude SS as the singer/bass player

As for Crude SS music it will not be any different because of this. Perhaps Sven has brought in some personal influences, but that is nothing that will affect their music. On the other hand there will be a big change on the lyric-side. Ebbe is still writing the music while Sven does most of the lyrics, and that means that the group from now on will do them in english. The band found out that this was necessary as they are aiming pretty much at the foreign market.

At the moment they've only got three songs in english. The oldest one is the excellent anti-nazi song "Nazi go home" which was written while Pelle was in the group. Again I've to make the statement that Crude SS isn't a nazi/fascist band, and that is a thing that the members really would like to point out as they have been branded that way by some mindless idiots. The SS symbols doesn't mean anything, and they are just there because Crude sounded so empty. Infact the group hasn't got any party political belifs at all, and they are not a political band. "We are not a political band, but as almost everything around us is connected with politics we can't just ignore it. So I guess we are political in everything we say and do anyway", Sven says. The only message the members would like to bring out is that "all people shall think for themselves, and do what they belive is right, but then they also have to take notice of their fellow-man as we all are equal". Perhaps this might sound a little bit anarchistic, but Crude SS is

Ebbe Sven Håkan

Ebbe - guitar

Ebbe Sven Håkan

not an anarchistic band. All of the members agree that anarchy is a great idea, but they do not believe that it is possible in today's society.

There are two reasons why this band is going. The first one is because they want to enjoy themselves and the audience, and the second reason is because they would like to change the society we are living in. Crude SS doesn't believe that they can do it on their own, but if we all stuck together it would perhaps be possible to change it just a little they say. "We don't really believe that the whole society shall change, but there is lots of things that must be changed. Up here in Sweden it's perhaps better than in most other countries, but no country is perfect. Take for instance all those unnecessary laws we have here in Sweden. Laws that just are made to control us citizens, and everything i.e. laws, the school etc is made for the rich not us. They start to break down our individuality already in school, and that is where we've to start", Sven & Ebbe says.

The group's future plans include a lot of compilation tapes. Crude SS will for instance have a few tracks on the next Lärmattacke sampler, a few tracks on a sampler done by the Italian band P.S.A. etc, but as a top of it all the group is going to be featured on the American drawer Pusheads world-wide sampler lp (out in June) together with bands such as Terveet Kädet, UBR, Poison Idea, Agent Orange etc.

Crude SS will also go into the studio to record a new cassette which they hope to release in as many countries as possible.

The ep then, will unfortunately be delayed as a result of the line-up change, but it will be recorded as soon as they got some new songs.

RELEASES:

- 6-track demo (sold out) February '82.

HOW LONG HAS YOUR GROUP BEEN AROUND?

EBBE: WELL WE STARTED OUT NEARLY THREE YEARS AGO WITH THE BAND THEN CONSISTING OF ME EBBE ON GUITAR, PELLE ON BASS/VOICE AND TUNA ON DRUMS. THEN AFTER 6 OR 7 MONTHS TUNA LEFT US, AND WE WERE JOINED BY A GUY CALLED JARMO. THIS LINE-UP LAST FOR 12 MONTHS UNTIL AUGUST '83 WHEN HE MOVED AWAY TO LIVE IN A PLACE CALLED NÄSSJÖ. PELLE AND I DID THEN START TO PRACTICE ON OUR, AND FOR TWO OR THREE MONTHS WE WERE ALONE. THEN IN NOVEMBER WE FOUND HÅKAN WHO HAD EARLIER BEEN IN A LOCAL HARDCORE GROUP KNOWN AS POISON BASTARDS. WE THEN STARTED TO PRACTICE MORE AND MORE, AND EVERYTHING WORKED OUT WONDERFUL. BUT THEN IN THE END OF JANUARI PELLE PHONED ME UP AND TOLD ME THAT HE WANTED TO LEAVE THE GROUP. THIS WAS DUE TO THE FACT THAT HE WANTED TO GO INTO ANOTHER MUSICAL DIRECTION. JUST THREE DAYS LATER I ASKED SVEN FROM SÅ NÅRA IF HE WANTED TO JOIN US AND THE ANSWER WAS YES.

WHO ARE THE MEMBERS?

SVEN: OUR PRESENT LINE-UP IS CONSISTING OF HÅKAN (16) - DRUMS, EBBE (19) - GUITAR AND MYSELF SVEN (17) ON BASS/VOICE.

ARE YOU INTO SKATING?

SVEN: NO NOT NOW, BUT I USED TO GO SKATING A FEW YEARS AGO. THE FACT IS THAT I HAVE TWO SKATEBOARDS AT HOME, BUT I NEVER USE THEM.

EBBE: I HATE SKATEBOARDS. I ~~HAD~~ HAD A SKATEBOARD A FEW YEARS AGO, BUT I DESTROYED IT BECAUSE I WAS ALWAYS GETTING HURT AND I COULDN'T AFFORD BUYING NEW CLOTHES EVERY TIME.

HÅKAN: I'VE JUST SKATE ONCE AND THEN I LEARNED TO TURN AROUND IN THE RAMP. THAT'S ALL.

DO YOU HAVE ANY RECORDING OR TOURING PLANS?

EBBE: YES A LOT OF RECORDING PLANS. ON APRIL THE 21TH WE WILL GO INTO THE STUDIO TO RECORD SOME TRACKS FOR PUSHEADS WORLD-WIDE SAMPLER LP. SOME OF THE TRACKS WILL BE "NAZI GO HOME" AND "SICK PLEASURE". THEN WE WILL RECORD A 12 TRACK CASSETTE WHICH WILL BE OUT A MONTH LATER ON THE LOCAL CASSETTE LABEL DISASTER TAPES. WE HAVE ALSO PLANS TO RECORD AN EP, BUT THAT WON'T BE UNTIL THE END OF JUNE.

SVEN: AND AS FOR TOURING PLANS WE DO NOT HAVE ANY NOW, BUT PERHAPS IN THE FUTURE. FIRST OF ALL WE MUST RELEASE THE EP AND THEN WE WILL SEE. ANYWAY IT SEEMS THAT WE HAVE A LOT OF GIGS COMING UP THIS SPRING.

WHAT ARE YOUR FAVORITE BANDS?

HÅKAN: SEPTIC DEATH, DISCHARGE, DRI, F.U.'S, FREEZE, SUICIDAL TENDENCIES, MDC, GANG GREEN ETC

EBBE: DISCHARGE, CRUCIFIX, BLACK FLAG, DISORDER, BAD BRAINS AND LOTS OF OTHERS.

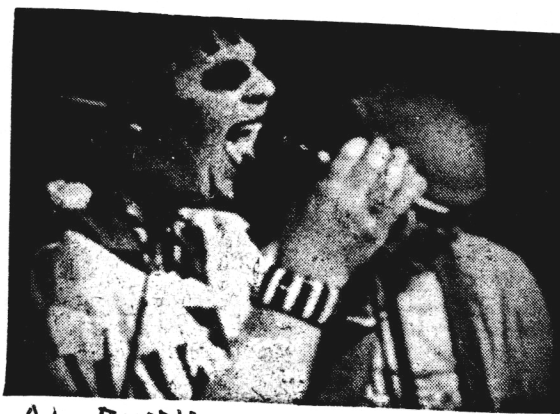

SVEN: CHAOS UK, DISORDER, BLACK FLAG, CONFLICT, CRUCIFIX, VOID ETC

HOW CAN PEOPLE IN THE US WRITE OR GET IN TOUCH WITH YOU?

EBBE: IF THEY HAVE A LOT OF MONEY THEY CAN PHONE US UP (TFN: 0223 - 151 70), AND IF THEY EVEN ARE RICHER THEY CAN COME AND VISIT US. OTHERWISE THEY CAN SEND US A LETTER TO THIS ADDRESS: CRUDE SS c/o PETER AHLQVIST, FLORAVÄGEN 20 c, 773 00 FAGERSTA, SWEDEN, BUT PLEASE ENCLOSE AN I.R.C. (AN INTERNATIONAL RESPONSE COUPON WHICH CAN BE BOUGHT IN EVERY POST-OFFICE). REMEMBER: WE WILL ANSWER EVERY LETTER.

DO YOU HAVE ANY STICKERS, T-SHIRTS, TAPES OR FLYERS AVAILABLE?

HÅKAN: NO NOT AT THE MOMENT, BUT WE WILL PROBABLY DO A STICKER AS SOON AS WE CAN AFFORD IT, BUT I DON'T KNOW WHEN. THE SAME THING GOES FOR T-SHIRTS, BUT THAT'S NOT VERY TOPICAL RIGHT NOW. AS FOR TAPES THERE WILL BE A CASSETTE

LULLABIES HELP THE BRAIN GROW

How long have you guys been together?

TIM: We've been together 4 years. The original band all skates. We've had 4 drummers...

How long have you been skating?

TIM: We've been skating ever since Cadalac Wheels and before. I surfed a whole lot, so I even remember skating a15 toes with steel wheels-when I was a kid.

TIM: We mostly skate ditches&resivoirs. There's a pool in Bastrop that dosen't go to vertical. It's fun.

Who are your favorite bands?

TIM: MINOR THREAT WAS THE BEST. The TAR BABIES in Madison are cool. (They all skate)

What's your scene like?

TIM: The scene here is real big. We get warehouses for shows and thers an underground place called Voltases. The Texas comp just came out. The Offenders are getting ready to toar. Lots of kids come to shows and everyone is real supportive. HARDCORE here is an attitude. As long as you're sincere about what you're doing and not try'in to rip people off-then you'll get to express yourself.

Do you have any touring or vinyl plans?

TIM: We tour about once or twice a year. We'll probably start recording for a new record in a month or two.

Any final comments?

TIM: Support your bands & scene. Make fanzines-posters. Make the general pop. nervous as hell!!!!

VINYL REVIEW!!!

VINYL

DRI-Violent Pacification-ep

This thing REALLY RIPS! This is the fastest band around, and their unrelentless full-speed attack is no less potent this time around...GET IT!!!

BUTTHOLE SURFERS-12"

This is deffinatly not for everyone. This is about the weirdest shit I've ever heard in my life. "The Shaw Sleeps in Lee Harvey's Grave" is a classic!!! But, to some- this may be a waste of money.

TESCO VEE (and the Meatmen)-DUTCH HURCULES-12"

I was roll'in on the floor after listening to this. This is one of his best creations yet! The GREEN vinyl looks wild! Toobad T&G is no longer. It was deffinatly one of the best rags around...

GRAVEN IMAGE-Kicked Out of the Scene-ep

Man, this band is one of the best! I JUST WISH THEY COULD GET THE EXPOSURE THEY DESERVE! This ep's great, but you must see them LIVE!!! Get this while you can!!!

VIOLENT APATHY- Here Today-ep

GOD- This band's great!!! Great vocals, great lyrics, great music- GREAT EVERYTHING!!! You may of heard them on MASTER TAPE vol.2. Look out- cause they may be coming to V.B.!!! (for address, see interview in next issue...

TOXIC REASONS-Kill By Remote Control-LP

This band includes members from England, Canada, & THE U.S. They started out in OHIO and are now based in San Francisco. The album has a good mixture of Early Punk/HC/HM/& just great stuff.

DEEP WOUND-ep

I guess I just like reviewing great shit... This is no exception. This record will turn your room into an inferno of thrashing fury!!! It really smokes with such steamers as "Lou's anxiety song" & "Deep Wound"... Get thiisssss...!!!!!!

SEPTIC DEATH-12"

Blistering fury, speed of light quickness- yeah, it's all their. This band may one day be as big as MINOR THREAT- who knows?

MARGINAL MAN-IDENTITY-12"

Snarling vocals and excellent guitar work make this a must... A variety of different styles of music enhance this disc and make it worth every penny. (DISCHORD)

MRR- Welcome to 1984-v/a

It contains 23 bands from 17 countries. Each band is different and each is great.

My faves are RAW POWER (ITALY) & KIDNAP (FRANCE). This is by far- the best world comp ever!

MISTAKEN IDENTITY-demo

I don't think this is for sale, but you can hear this band on the new San Jose comp "from the valley within"... This band is hot!!!! See interview next issue....

Larry,

Our band is "BROWN 25" Tell me more about MUD. We've been called a "country & western" Social Distortion, but I think our sound is like noone else. No tapes yet-but look out.

Songs deal with growing up and having shit forced upon you (i.e.-jobs, marriage, acting our age). Kids have a lot of troubles, but so do us older punks. Oddly-our following is mostly High School & college kids.

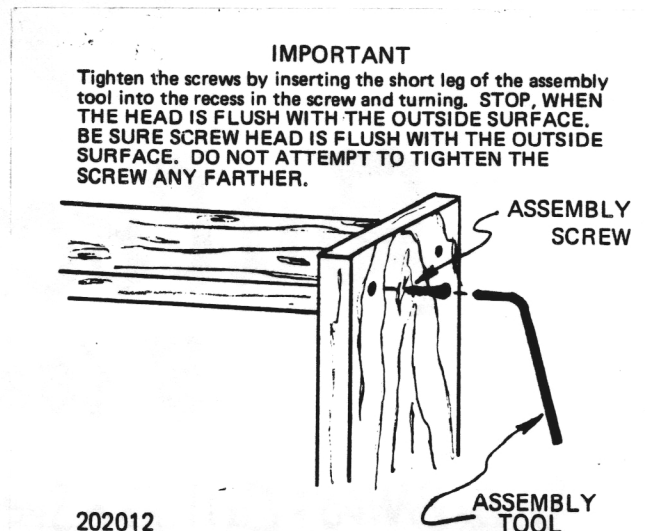

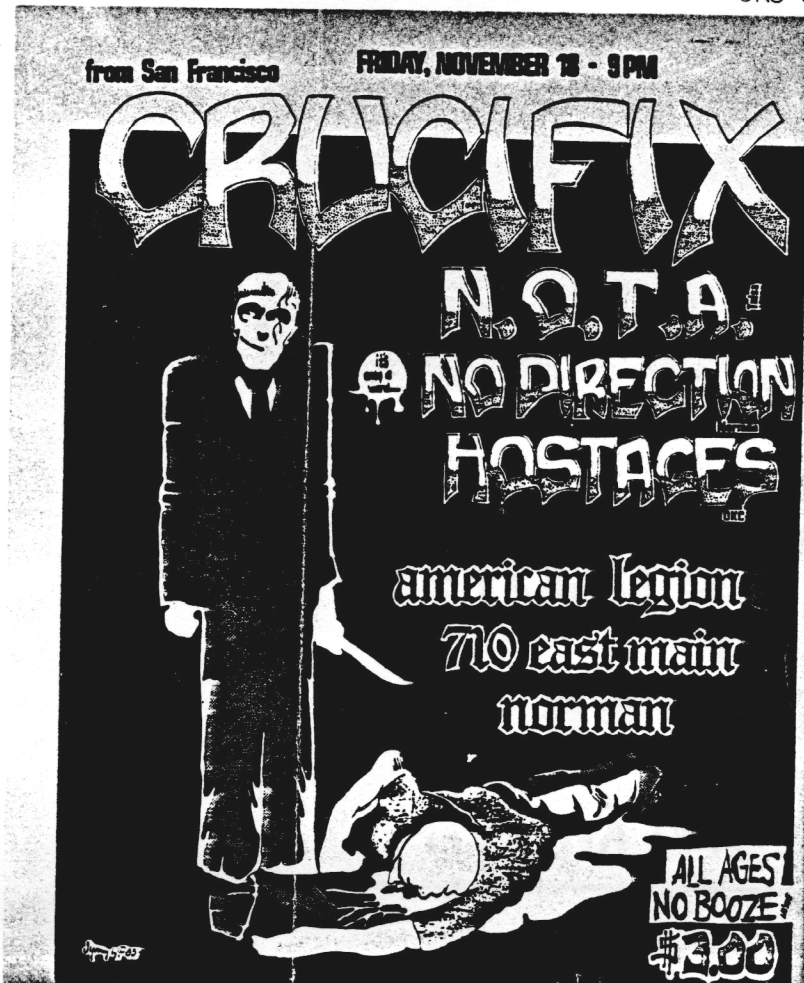

Instead of crying about how your scene sucks, we tell kids to take an active interest and be proud of where you're from in our song "Suicidal Cowboys"

RM: HOW LONG HAS C.F.A. BEEN AROUND?

Keith: We've been together about a year. We went through some trying times, but we're back with a new bass player. We're looking forward to recording another record and playing East Coast gigs.

RM: WHO ARE YOUR FAVORITE BANDS?

Keith: The rest of the band likes a variety of music. My favorites are Iggy Pop, S.O.A., Minor Threat, Bad Brains, Bowie; basically I like a lot of music!

RM: HOW HAS KRISHNA INFLUENCED YOUR BAND?

Keith: KRISHNA consciousness is a philosophy I study and follow to some extent. I don't ~~write~~ songs particularly influenced by it. I'm not so much aligned with the movement in the U.S. It's something I do for myself.

RM: DO YOU HAVE ANY NEW TOURING PLANS?

Keith: We're always open to travel as long as it is a weekend thing. At the time, that's all our schedule allows. But if someone wants to book us, just write me at 435 W. 22nd St. NY, NY 10011.

RM: WHAT ARE YOUR FAVORITE PAST TIMES?

Keith: I like to skate and surf as well as other outdoor activities. I like to keep myself in as good as shape as possible.

RM: HOW'S THE NYC SCENE THESE DAYS? ARE REAGAN YOUTH BACK TOGETHER?

Keith: The NYC scene seems to be doing fine. Since I've returned from California, it's grown a great deal. I'm a little out of touch with the scene these days. I think Reagan Youth is back together, and last time I saw them (New Years Eve) they really kicked ass!!!

RM: ANY FINAL COMMENTS?

Keith: All I would like to say is just keep your mind in a positive mode. Stay true to yourself and people in general. Don't get caught up in trends and act as a group member. Follow your own instincts and always keep an open mind about people. Experience things for yourself, and then make a decision.
